# **THE CLASS GIFT**

## **FROM THE CLASS OF 2023**

The 2023 Class Gift didn't go exactly as planned, but their final gift is going to make a lasting impact on the College and benefit the campus community for many years to come!

Unfortunately, the ramp they had planned for the Dell faced some unexpected challenges, so it couldn't be completed as they had hoped. But, their class gift was specifically chosen to make the campus more inclusive, and they've taken this mission to heart.

They've expanded it to include an Endowment that will fund multiple future projects focused on promoting accessibility and inclusivity on campus.

With this Endowment, they're guaranteed to achieve their goal of creating a more accessible campus for everyone.
